The Wild Rose Draft Horse Futurity

The Wild Rose Draft Horse Futurity is a program designed to showcase the best young horses in Alberta, Saskatchewan, and British Columbia. Fillies, colts, and geldings (foals of the current year), are eligible for nomination providing they are registered, or notified, with their Canadian breed registries, and the owner is a member of the Wild Rose Draft Horse Association.

In order to become eligible for the Futurity, foal nominations must be in to the WRDHA Futurity Committee by the WRDHA annual meeting, typically held the first week in February, for a nomination fee of \$50.00. Once a horse is nominated into the Futurity, they are eligible to be entered as a yearling, or as a 2 year old, or both. Owners may choose to miss the yearling year and enter the 2 year old year, or vice versa, without penalty.

If the horse is sold, the nomination into the Futurity goes with them, and they may still be entered by the new owner providing the appropriate transfer of ownership has been made.

40% of the nomination fees go to the yearling purse

40% of the nomination fees go to the 2 year old purse

20% of the nomination fees go to the WRDHA administration

Futurity Rules and Regulations - 2 Year Old Class

Classes will consist of three divisions each worth equal points. Horses must show in all three divisions to qualify for prize money awarded.

Halter Division

Emphasis will be placed on an animal that has correct conformation, and is sound on all feet and legs. Balance, breed type, form to function, smoothness of body parts, eye appeal, and action will all be considered. All breeds, all sexes are to be shown in the same class.

Rail Cart Division

Designed to show a free and easy moving animal that is relaxed, with alert ears, moving balanced with a non-intimidated way of going, and bright and responsive to the driver at various gaits, all breeds and all sexes to be shown in the same class.

Rail work in both directions of the ring will consist of walking and trotting. Judging will be based on the horse's overall performance and way of going, as well as its ability to hold the designated gait. Action, headset, type, and eye appeal all to count, horses may be asked to back.

Pattern Cart Division

This will consist of an individual pattern, or work, designed to show how well trained the horse is. It will be a simple pattern designed for a 2 year old. The order of pattern division will be determined by a draw at least one hour prior to the class.

Points from the three divisions will be combined and the horse receiving the most overall points will be the Winner of the 2 year old futurity.
